

SCHOOL OF ROCK

If Only You Would Listen

You always talk, talk, talk all the time
You never let me get in a word
I wish I had, I had a dime
For every thought I've swallowed unheard
No matter what it is that I do
It's like I just can't seem to get through

I've got so much to say
If only you would listen
I've tried every which way
And still you never listen
Can't you see I'm hurting?
I couldn't be more clear
But I promise one day I'll make you hear

You know I try, try, try to explain
I'm not the kid you want me to be
And yet it's all, it's all in vain
You just don't wanna see the real me
You think you know what I'm all about
And yet you just keep shutting me out

I've got so much to share
If only you would listen
You could prove that you care
If only you would listen
I'm not gonna beg you
You'll never see a tear
But I promise one day I'll make you hear

Yeah, you'll see one day
I'm gonna make you hear me
God I'll find a way
But you are gonna here me
Got so much to say
And I'm gonna make you hear me
Maybe then you'll listen (maybe then you'll listen)
You gotta listen (you gotta listen)
You need to listen
You better listen

I've got so much inside (I've got so much inside)
If only you would listen (listen)
Joy and anger and pride (joy and anger and pride)
If only you would listen (listen)
It's not much I'm asking
I only want your ear
Yeah, I promise one day I'll make you hear
It's not much I'm asking. I only want your ear

And I promise one day I'll shake you
So damn hard that at last I'll wake you
Yeah, I promise one day I'll make you hear

Stick It To The Man

When the world has screwed you
And crushed you in its fist
When the way you're treated
Has got you in a twist
There's been one solution since the world began
Don't just sit and take it. Stick it to the man

Rant and rave and scream and shout
Get all of your aggression out
They try to stop you let 'em know
Exactly where they all could go
And do it just as loudly as you can. Stick it to the man

Parents overwork ya? - Stick it to the man
Hate the way they jerk ya? - Stick it to the man
Tired of the system? - Stick it to the man
Rise up and resist them - Stick it to the man

Break the rules, ignore the signs
And colour way outside the lines
Go off the script, do what you like
They hate it, they can take a hike
Why live your life to someone else's plan?
Stick it to the man

Noise of politicians - Stick it to the man
Had it with the hipsters? - Stick it to the man
Sick of corporate culture? - Stick it to the man
Get up off your iPad - And stick it to the man

Rock the house and make a scene
And crank the amps to 17
And scream until their ears are shot
They all can kiss your you-know-what
Do everything they ever tried to ban
Stick it to the man

When the world has screwed you
And crushed you in its fist
When the way you're treated
Has got you in a twist
There's been one solution. Since the world began
Don't just sit and take it. Stick it to the man

Rant and rave and scream and shout
And stick your middle finger out
And wreck your room and rip your jeans
And show 'em what rebellion means

Why march to someone else's caravan?
Especially those you're so much cooler than
It's time to throw some shhh against the fan

There's no way you can stop
The School of Rock - Stick it to the man
