

Fired Up – Disney Zombies
5pm Singing

Been waiting for this day to come and it was all so clear
Since I was a little kid I saw me standing here
All the times they told me "Walk away" I said "Forget it"
You know where you are headed and we are gonna get it

Taking it right to the top
We ain't got no doubts
Together we can build it up
Can you hear us now?
Yeah, we see the future
It's looking really bright
Yeah, that's where we're headed
And we know how to get it

We were made for this
There's nothing we can't do
We came to play
We're here to stay and win the day
'Cause we were made for this
Didn't come here to lose
We came to play, we're here to stay
What's left to say when we know

Nothing's gonna get in our way
No! Come on, let me hear you say
We're fired up, you're fired up, We're fired up
Nothing's gonna get in our way
No! Come on, let me hear you say
We're fired up, you're fired up
We're fired up

(dance break)

We were made for this
There's nothing we can't do
We came to play
We're here to stay and win the day
'Cause we were made for this
Didn't come here to lose
We came to play, we're here to stay
What's left to say when we know

Nothing's gonna get in our way
No! Come on, let me hear you say
We're fired up, you're fired up, We're fired up
Nothing's gonna get in our way
No! Come on, let me hear you say
We're fired up
We're fired up, you're fired up, We're fired up
Nothing's gonna get in our way
No! Come on, let me hear you say
We're fired up, you're fired up
We're fired up
